Message Reflection:

- What from your old life is still holding a place in your life?
- Have you embraced your new life in Christ?
- Are you willing to live for Christ even when it goes against the culture?
- What characteristics do you have that need to change and become more like Christ? What is your plan to change them?
- For your encouragement, remember we have been given every spiritual blessing in the heavenly places in Christ. The Holy Spirit is more than able to change your life and make you more like Christ. You are not limited by your abilities because God has no limits in His abilities working in and through your life.
