Message Reflection:

- How does your attitude impact your daily life?
- What attitudes do you need to adjust to become more like Christ?
- Are you trusting God's Word to determine how you should respond to life?
- How are you being salt and light to your family? Friends? Neighbors? Co-workers?
- Are you daily spending time reading God's Word and praying?
- So goes your relationship with God, so goes your "Christian" attitude.
